SYNOPSIS:

Sen. Jackson asked his designee, Bob Butterworth, to arrange for a security survey of the Senator's new office, SH711. Butterworth first called NSA, then the IC Staff. ICS/SECOM chairman advised C/LLD (because of earlier coordination on Hill security matters) Butterworth finally broached the subject to D/OEXA. Matter raised at DDCI morning meeting; Mr. McMahon agreed that this fell into "Community" effort, and that, per earlier arrangements, FBI should be out front. Mr. contacted Bureau contact officer Mr. Gene Dean, who agreed to handle. Butterworth notified. Tentative survey by FBI tech officers scheduled for Thursday 3 March 83. Recommendations will be passed to Mr. Butterworth, with info to us.
